

YMG Corporate Identity: Color Specification

This document defines the official color palette for the YMG logo. Adherence to these specifications ensures brand consistency across all digital and print media.

Primary Color Palette

Color Name	Sample	HEX	RGB	CMYK (Approx)
Primary Dark		#2F353A	47, 53, 58	70, 50, 40, 80
Accent Blue		#4A6278	74, 98, 120	65, 35, 25, 40
Highlight Grey		#95A5A6	149, 165, 166	30, 15, 15, 10

Usage Guidelines

- Primary Dark:** Used for the main structural elements of the logo typography (YMG) and the top-most mountain layer.
- Accent Blue:** Used for the inner mountain layer to create depth and texture.
- Highlight Grey:** Used for light reflection effects on the mountain tops and lettering edges to create a 3D effect.
